

At ***Courtenay Baptist Church*** there is a desire for people to grow in their knowledge of God and in their love for Him and to create a **sense of community** among those who attend here.

One way to achieve this is to encourage people to get involved and there are lots of opportunities to do that – join a **Bible Study** or **Small Group**, check out a **Fellowship event** or **volunteer!**

Many of the church's ministries need your help if they are to continue and survive. Serving in the church not only fills a need it **glorifies God** because you are serving Him and through serving Him you are blessed in so many ways. It provides opportunity to get to know those you serve with and those you are serving.

**God expects you to do what you can,
with what you have,
wherever you are.**

Your effort doesn't have to be perfect for God to use it and bless it.
