A card from Peter Rabey on behalf of the Port Hardy saying:

*"It was such a blessing to have so many Courtenay Folks come and join with us. What an encouragement to have Pastor Rich bring us words of blessing and when he presented the special offering there was a shocked gasp and amazed looks of appreciation from the congregation. Thank you so very much for being such a blessing to us."*

### Missions Focus

#### Josh & Jenni Smolder, Wycliffe Translators

CFBC has been supporting the Smolders since 2014. They live in Gambella, Ethiopia, and work on developing a written language for the T'apo people to have a Bible in their language.

There has been unrest in the city again. Unfortunately, the translators were unable to move about the city because the authorities were restricting movement. ***Please pray for peace and stability***, without which it is difficult to meet together to continue the work of translation.
