### Missions Focus

#### Update on Shikarpur Christian Hospital - Pakistan.

CFBC has supported Shikarpur Christian Hospital for many years. They have been struggling with a neighbour who makes false allegations against the hospital concerning who owns land beside the hospital, so they can't sell the empty land.

On Jan. 10th there was a court hearing on the matter, one of many hearings that to date produce no results. Pray that the judge will give a just judgment. Especially pray for God's protection on

Mr. Samuel the national hospital administrator and Jody Ray the CEO.

Pray there will be no accusations of blasphemy which can result in lynching, death or prison. This is a real concern.
